New York, NY (May 31, 2017) - Construction law firm Zetlin & De Chiara LLP announced today that for the 11th consecutive year, the firm has been ranked as a top construction law firm in New York by Chambers USA. Additionally, four partners from the firm were ranked as leaders in their fields.

Chambers USA, the leading annual ranking of law firms and individuals in the legal profession, cited Zetlin & De Chiara for its distinguished reputation and its notable strength in handling litigation matters in addition to contract reviews and negotiations. The firm is further acknowledged for providing counsel in a “wide range of public and private sector developments, including retail, infrastructure, industrial and residential projects” on behalf of owners, developers, architects and engineers.

She is well versed in dispute resolution, contract formation and risk management. A client praises her ‘diligent and meticulous’ approach and adds: ‘She is articulate in all matters of design and construction and has a creativity in looking at six sides of an issue rather than the one right in front of her. A true professional!’”
